

Daniel Gallego

President, ALCER

President, European Kidney Patients Federation

Mr. Daniel Gallego is a graduate in Labor Relations from the University of Valencia, Spain. He has developed his work experience in the transport sector as administrative and Human Resources director and his career in the associative movement is linked to supporting people with kidney diseases, both in the Balearic Islands and in the rest of Spain. Daniel is a haemodialysis patient since 1995.

Among other occupations in the associative field, he has been Vice President of the National Federation of Associations for the Fight Against Kidney Diseases, ALCER since 2014 and vice president of COCEMFE (2018- 2020).

At present, he is secretary of Social Impact and Agenda 2030 of COCEMFE (since 2020) and, since 2018, is president of the National Federation of Associations for the Fight Against Kidney Diseases (ALCER). In addition, he is the president of the European Kidney Patients Federation (EKPF) since October 2020 and vice president of the Board of Directors of ALCER Islas Baleares since 2014.
